Cory Watson Supports Race for the Cure

Cory Watson has been a sponsor and legal advisor to the Komen North Central Alabama Race for the Cure since 2001 because our lives and practice have been deeply affected by clients, friends and family members diagnosed with breast cancer. The Race for the Cure raises awareness, support and funds for screening, research, education and treatment of breast cancer. Ninety percent of the funds raised are devoted to meet these needs, and seventy-five percent of the money raised by the North Alabama Affiliate stays in North Alabama for research, education and screening here. We continue to be impressed with the Komen's devotion to the victims of breast cancer and to developing scientific and medical research for a cure. Birmingham has such great cancer research centers and brilliant doctors and researchers, that it is rewarding to raise support going directly to them and our community.

Cory Watson will again be a Diamond Sponsor of the Race for the Cure in 2009 and will have a team in the October 11, 2009 race. Please stop by our tent on race day and meet our lawyers and staff.

Race entry forms and more information available at www.komenNCalabama.org.
